

Next-Generation **RANGER**

WILDTRAK

Own the Wild

Unmistakably Wildtrak

Signature Matrix LED headlamps that auto-level and auto-bend to the road, framed by a bold grille. A face built for the wild, not the showroom.

Conquer Every Terrain

Raised ground clearance lets you push past rough roads, floods, and uneven trails without hesitation, drive with confidence knowing the road ahead won't hold you back.

Ready to roll

Asphalt Black 18-inch alloys mean you're always geared up. From city streets to weekend escapes, no swap, no wait, just go.

Feel Every Journey

Sink into leather-accented seats with power adjustment, wrapped in Ebony and Neo Suede with Ignite Orange accents. Comfort that keeps up with you, whether it's a daily commute or an off-road expedition.
